Photobag

From Photobag we got a remark that he travelled much more then the winner of the 'most travelled photographer' award drora. (see contest page). We have to admit photobag you are right. Your work is among the most geographically spread of all Woophy members, containing pictures of countries even the Woophy staff never heard of. Besides the geographically coverage of the world your work also stands out in quality. This was also noticed by the jury of our 2005 competition because they awarded Photobags work wit an honourable mention.

2007 CALENDAR 2007**MEMBER OF THE MONTH - FEBRUARY 2006***Carla Broekhuizen*

For us there was no doubt. Carla Broekhuizen is the new member of the month. Already since she joined we noticed her original viewpoints and angles. Mentioned before also in this newsletter was the fact that she really shoots with her eye instead of the camera. Besides her qualities as photographer we also want to reward her because she represents the positive and friendly attitude Woophy stands for. Together with ConradM Carla was a true moderator and stimulator of our competition forum. And last but not least we are very happy with the way she treated the whole 'rating' discussion. Thank you to help get the focus back on the pictures and we will reward you with a nice catalogue of our 2005 competition.

2007 CALENDAR 2007**MEMBER OF THE MONTH - MARCH 2006****Matthias Wachter**

Matthias Wachter is our March member of the month, Matthias was already on our list for a while but today my girlfriend said about one of his pictures 'If you make photos like this, who needs painters anyway' And if somebody says this about your photos you deserve to be a member of the month.

This is what Matthias modestly writes about himself:
'Just a hobby-photographer trying to look more with the heart than with the camera. ordinary sights from an unordinary perspective is what I try to display.'

Matthias keep making these wonderful shots.

2007 CALENDAR 2007**MEMBER OF THE MONTH - APRIL 2006***Sara G.*

Entirely in the Woophy spirit we choose a globe spanning member of the month Sara G.. She is from North America (Mexico) and live already ten years in Asia (Japan). But besides her background we choose her as member of the month of course because of her very good pictures.

Almost all of Sara's pictures are true works of art, very beautiful how you capture the atmosphere of the (for most of us) exotic Japan.

sath

Belgian people dominate this months newsletter and here a Belgium guy again. Sath does not flood Woophy with pictures but modestly puts his often somewhat surrealistic pictures online. Besides that Sath takes part in the discussions on the forum adding a positive and constructive attitude.
In this picture we see the dull, wet and dirty Belgian road with a poster inviting you to a 'soiree exotique' (exotic night). To be honest I doubt if this evening turned out so exotic. This eye for detail, text in the picture an movement make this kind of pictures real small stories.
Sath congratulations and keep up the good work.

2007 CALENDAR 2007**MEMBER OF THE MONTH - JULY 2006**

36Clicks

You can imagine that having more members each time makes it much more difficult to choose one as member of the month. Should we go for a member with a long track list who finally deserves to be the member of the month or should we go for the fast rising star who only joined a few weeks ago.

Well this time we choose a member with a track record of only 3 weeks (member since 9th of June). 36Clicks congratulations. It is not only because the high quality of your work but also because we received many emails from members who appreciated the way you share your photo knowledge with others.

Beautiful pictures great attitude.

2007 CALENDAR 2007**MEMBER OF THE MONTH - SEPTEMBER 2006**

Phillipo

Our September member of the month comes from one of the best breeding grounds for photographer in the world Ciudad Juarez, Mexico. Like earlier members of the month Sara G. and Sercas72 and the much missed Pistachon (on Woophy that is) another great observer from Mexico.

Congratulations Phillip with your work. Your work is so strong and full of social realism that people scream behind their computers when they see it (Miek Waling). Especially your series about the border is very intense.

I was struck with your work the same as I was struck with the Mexican movie Amores Perros when I saw it first. Is there such a thing as 'new Mexican hyper social realism' or is it just a coincidence? Anyway thanks Phillip for your contribution to Woophy.

2007 CALENDAR 2007**MEMBER OF THE MONTH - OCTOBER 2006***Coutinho*

There is no way around it Coutinho had to be the October member of the month. Never in the short history of Woophy had we got so many requests from other members to make Coutinho member of the month. And of course we fully agree with our members. Coutinho's oeuvre is quite divers, socially strong black and white pictures and bright and colourful photos of contemporary Portugal. I think the red line in Coutinho's work is the love for people, almost all his pictures 'breath' respect and love for people. This gentle and respectful attitude Coutinho also has in his comments to others. Many people write us that they really appreciate his kind and constructive critics. And last but not least we are of course very happy with the great creative work on the Woophy calendar. What about sending us a pdf at the end of the year which we can put on the site for everybody to download. Congratulations a very well deserved membership of the month!

2007 CALENDAR 2007**MEMBER OF THE MONTH - NOVEMBER 2006***Patt*

It looks like it is China month on Woophy. First we have 3 of the 4 winning pictures in the competition from China and now we have an member with a beautiful China portfolio as member of the month. Although I have a personal fascination with China this is purely coincidental.

Patt thanks for sharing your high quality, warm and beautiful portraits with us.
